Burial and Ceremonial Services

Towheed is a non-profit organization and offers help to those who are in need of assistance in their difficult times. In such times, we realize making the right decisions are very hard and our assistance and expertise may be needed. Towheed **does not offer any pre-arranged** burial plots. In such times we will assist you with what needs to be done.

Towheed's intention is only to help the community for the services and not to benefit financially. However, Towheed has negotiated and arranged services that would be very respectful and at the same time will be of the best value for our community. **If you need any additional information, please call us at 469-569-9099. We will be glad to assist you and your family in the time of need.**

Precondition

Please do the following only if your loved one has been declared deceased by an **authorized local health organization** such as a hospital. Without this declaration document, other steps may not be pursued.

Funeral Homes

Rahma Funeral Home (972-386-0383) handles all of our Islamic Burial. They will pick up and arrange the transfer of body from hospital to their location from any where in the metroplex, or even other cities. They will also arrange for transportation to other cities or shipment to Iran at extra cost. You have the option to cleanse the body at their facility in Dallas or at a Mosque of your choice. You need to tell the Director (Mr. Qadeer) that you are a member of Towheed's Family and would like to get their package and discount. Rahma Funeral Home offers different choices related to Cemetery, Mosque, and Services. Their typical services for Towheed members should cost around \$1,775. This price does include the concrete liner inside the grave. (City code)

Washing Body

These options are available:

1. **Richardson Mosque** has facilities for washing the body. You do not have to use their facility to wash the body but you are welcome to do so. They only accept voluntary donations for their services.

2. The **Momen Center** also offers services to wash the body, perform prayers, and have Imam Molana to come to Restland for burial. They do not charge for these services but voluntary donations to Mosque are welcome.
3. **Rahma Funeral Home** offers washing the body as a part of their service and then transport to Masque for prayers.

Cemetery

You can contact **Richardson Mosque** (972-231-5698) to purchase a grave if you wish to choose Restland. This should cost around \$1,500. North Texas Islamic Association (NTIA) will not profit from such sale and has agreed generously to provide these services to all Moslems and Towheed's family. There are other less expensive Cemetery options (such as Denton or Arlington) available. You can get more information from Rahma Funeral Home if you are interested.

Restland will arrange the grave ownership transfer for a fee of around \$1,305. This is a fee that Restland charges to use their workers to dig and cover the grave and also to transfer the plot ownership. You could ask Rahma to arrange this transfer for you but you still have to pay Restland's fee.

Grave Marker

Your total approximate cost using Rahma Funeral Home and Restland should be around \$5,000 which does not include the grave marker. This can range from \$1,500 and up which could be bought from Restland or others. If you choose to buy your own marker from a place other than Restland, Restland will charge a \$0.55 per square inch for installation. The Marker can be purchased on the later days and at your convenience.

Memorial Ceremony

You can use Towheed's facility for your memorial ceremony for the basic cost of around \$400. This is only a fee to cover cleaning of auditorium/kitchen and utility charges. **Voluntary donation is highly appreciated.** Additionally, Towheed can provide you with the name and phone numbers of well known local religious speakers that can come to your event and again they do not represent Towheed and will charge their own fees. If you need any assistance for memorial ceremony, please call us at 469-569-9099.

Disclaimer

Please note that these prices are good as of June 2009. All fees quoted above are subject to change without prior notice. Towheed Foundation does not guarantee these fees and prices. Please contact us with any more questions you may have regarding any of these or other services.
